

Instructions for data updaters

- Data are entered in the "Data - " sheets of this workbook
- Please enter the new data in the appropriate tables
- Use the default format designed by the table, do not change any part of the layout

Instructions for data publishers

- It is recommended to filter the "Data" tabs on the "current year" records only
- Hide the "address book", "QPR internal KPI", and "report4confluence" tabs
- Then save the entire workbook as PDF

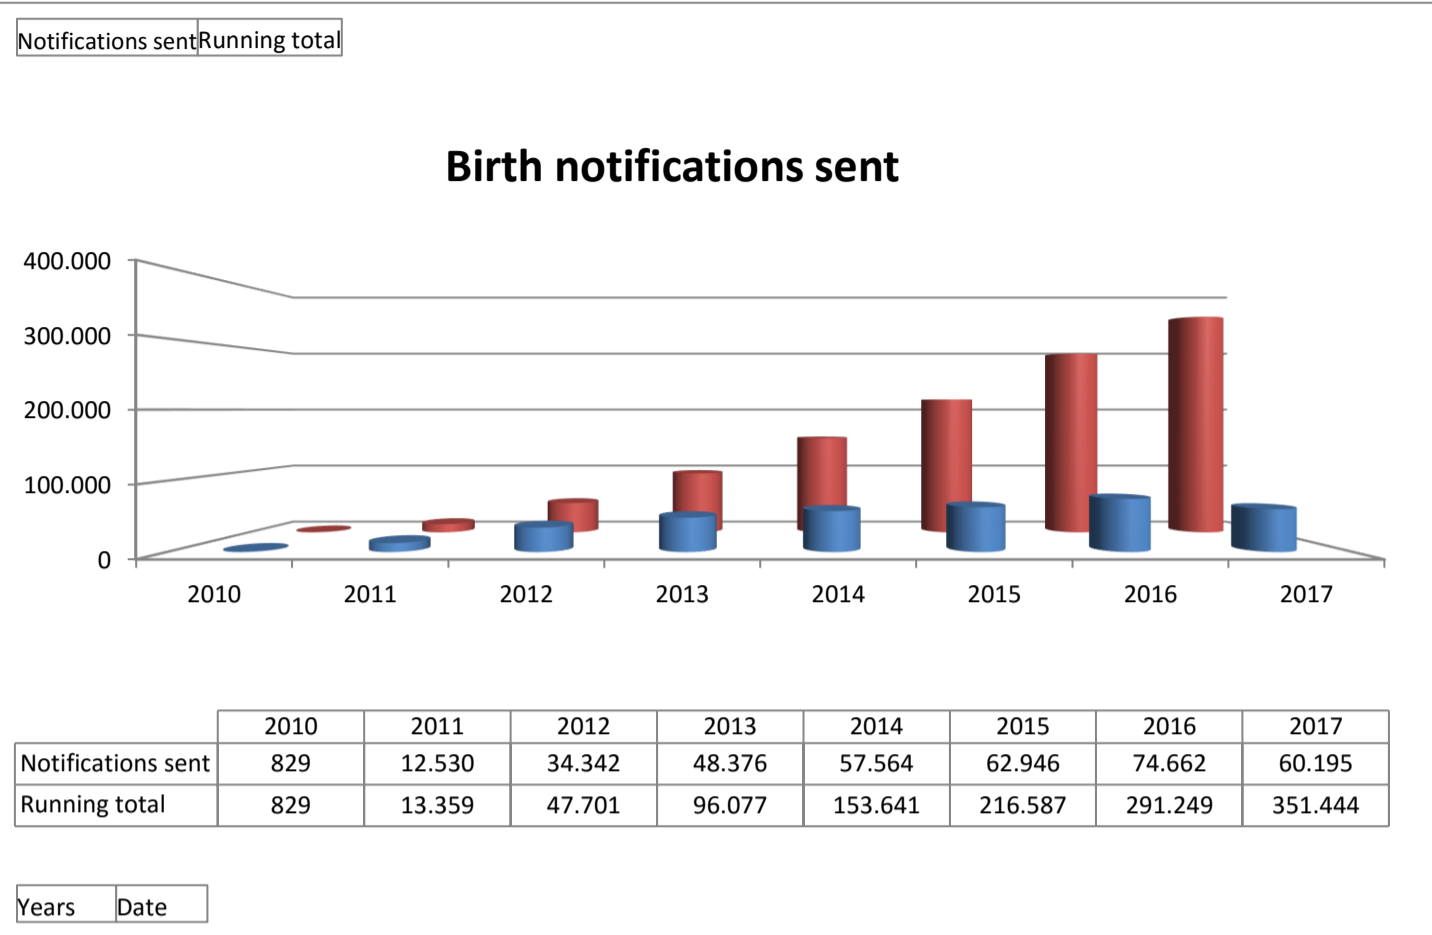

Instructions for data readers

- Data are summarised in pivot tables and pivot chart reports
- Pivot tables refresh each time the workbook opens (if you're not sure, refresh them manually)
- Expand / collapse sections to view more/less detailed info

| Workbook contents               |                                                                                                                     |                                                                                                                                                                                                                                                                          |
